All charges as expressly set out in the present Fee Schedule and defined therein for services rendered to the Customer by the Bank are charged exceptionally in local currency.

Subject to the Bank's principles for classifying Corporate Customers, the Bank may propose other fees and charges to Customers. The related fees and charges for separate Customers shall be stipulated under agreement.

Fees and charges as set forth above in the Fee Schedule refer to standard transactions performed by the Customer. For all other cases when either the correspondent bank or the intermediary bank, as may be necessary, claims the Bank to pay extra commitment fee for effectuating the transaction or for participating in the maintenance process thereof, and charges the subject fee from the Bank, the latter accordingly reserves the right to charge the said commitment fee from Customer's account in addition to the standard commission paid by the Customer

In the event any amendments or modifications are in the course of time made to the list of the services, as well as to the charges and rates applied thereon, the Bank shall duly notify Customers upon such through inquiry services available at the Bank's premises, through press releases and other mass media.
