Tariffs for services provided by the Bank are charged in AMD.

These tariffs refer to standard operations performed by Customer. For all other cases when either the correspondent bank or the intermediary bank, as may be necessary, claims the Bank to pay extra commitment fee for effectuating the transaction or for participating in the maintenance process thereof, and charges the subject fee from the Bank, the latter accordingly reserves the right to charge the said commitment fee from Customer's account in addition to the standard commission paid by the Customer.

In the event any amendments or modifications are in the course of time made to the list of the services, as well as to the charges and rates applied thereon, the Bank shall duly notify Customers upon such through inquiry services available at the Bank's premises, through press releases and other mass media

Other terms in accordance with the terms and conditions of the services provided by "ARMBUSINESSBANK" CJSC (tariffs set for individual customers).
