CORE MESSAGE

APPEAL

3 Arguments:

- to set it on the end

Provocations  
& difficult questions  
(from the client / from the emp!)

- ① Client says: "The other bank has got much more better conditions"  
ABB-Consultant: e.g., "Maybe... but... the most important thing is the quality of the products"
- ② Employee says: "The salary level in another bank is higher"  
ABB-Employee: e.g., "We have high reputation and perspective. We have strong strategy and perspective. We have international relations. You don't have representatives or branches in our network for partnership"
- ③ Client says: "You don't have international relations. You don't have representatives or branches in our network for partnership"
