- In the event of the deposit term extension, the calculation of interests against the deposit and the days is performed starting from inclusive of the extension date.
- Interests against the bank deposit are accrued from the date of the receipt of the Deposit till the day preceding the return to the Depositor or the withdrawal thereof on other grounds or basis.
- The Depositor may at any time request the Bank to return the deposit amount and accrued interests (in addition, accrued interests shall not be paid out if the Depositor requests deposit amount before target date, the interests shall be paid out pursuant to conditions specified in part 1 of this bulletin).
- The Bank must return the Deposit amount or part of Deposit amount to the Depositor upon first request.
- In case the Depositor fails to request payment of deposit amount and accrued interests after deposit maturity, the Bank shall remit deposit amount and accrued interests to the Depositor's demand account. Interests on amounts remitted to the Depositor's demand account shall be accrued at the rate defined by the Bank for deposits existing then.
- The Bank may amend the rate of interests payable for demand deposits unless otherwise prescribed by deposit agreement. In case the Bank lowers the rate of interests payable for demand deposits, the amended rate of interests shall apply to the deposits made prior to giving the Depositor notice about decreasing the interest rates after one month from the date of such notice on the reduction of invested deposit interests unless otherwise specified under agreement.
- The Bank may not unilaterally reduce the interest rate of deposit stipulated by the agreement of bank deposit, which the Depositor has made on condition of receiving back after a definite period or the occurrence of circumstances provided under the agreement, unless otherwise provided by law.
- The Depositor must comply with the requirements of RA laws and banking rules established in compliance with these laws,

as well as of existing Bank procedures for the receipt of time deposits.

- The Deposit is returned to the Depositor in the same currency in which it was made.
- On receiving the Deposit, part of the Deposit and (or) interests accrued thereon, the Depositor should submit ID document to the Bank.
- In the event of loss of their copy of Agreement, address change, loss or change of documents necessary to identify the Depositor, the latter shall be liable to report on such to the Bank within 10 (ten) banking days for the execution of the required formalities; in addition, the Depositor shall be liable for the consequences of failure to inform about such amendments within specified period.
- In case the date of the refund of Deposit or renewal of Deposit falls on a non-business day or holiday, the refund or renewal of Deposit shall be performed on the first business day following non-business day or holiday with the payment of interests for non-working days or holidays.
- In case of any changes made during Deposit agreement validity (stipulation, amendment or termination of the terms and conditions of agreement, rights, obligations, responsibilities of the parties or amendment of internal regulations of the Bank, which anyhow affects the Deposit agreement and leads to a change in the annual percentage yield), the Bank must give the Depositor at least 15 (fifteen) days prior written notice via mail service about new terms and conditions from the date of change of annual percentage yield.
- Subject to item 2, Article 6 of the RA law on "Exchange regulation and control" the interest amounts for financial transactions can be paid in Armenian drams at the request of the depositor, as well as in the foreign currency in which the deposit was made.
- **Acting as a taxation agent for Depositor-natural person, the Bank shall make withholding (deduction) in accordance with tax legislation of RA and Artsakh. Income received from deposits is subject to taxation in Armenia at the rate of 10% (ten percent), and in Artsakh at the rate of 5% (five percent) of interests accrued on deposit amount, while in case of foreign citizens and stateless persons at the rate of 10% (ten percent).**

3. Protection of the Depositor's rights

- In case of any appeals or claims implying from Deposit agreement the Depositor may protect his/her infringed rights by applying to the Bank; where no agreement is forthcoming, apply to court or financial system mediator.
- The Bank must **review the Depositor's claim** provided that it was submitted within a year when the Depositor learnt or might have learnt about any violation of their rights.
- The Bank is obligated to give the Depositor a final answer within 10 (ten) working days. Should the answer appear to be unsatisfactory or inadequate for the Depositor, the latter may either apply within 6 months to the financial system mediator, in accordance with RA law on "The financial system mediator" or else apply to court of justice in the established order. The financial system mediator has the right to consider the claims made by customer against the organization, and which have reference to the services and facilities rendered by such and comprise claim of ownership for the amount not exceeding AMD 10 000 000 or the equivalent in foreign currency.

4. Amount of guaranteed deposits

Pursuant to RA law on "The guarantee of bank deposits of individuals (sole entrepreneurs including)", the refund of bank deposits attracted from natural persons is guaranteed at all banks of RA by Deposit Guarantee Fund'.

Deposits are guaranteed irrespective of their currency - whether AMD or foreign exchange.

The following are the maximum guaranteed amounts of deposits:

- **where a depositor has only a dram denominated deposit in the insolvent bank, the amount of the guaranteed deposit is 16 (sixteen) mln Armenian drams;**
- **where a depositor has only a foreign currency denominated deposit in the insolvent bank, the amount of the guaranteed deposit is 7 (seven) mln Armenian drams;**
- **where a depositor has dram and foreign currency denominated deposits in the insolvent bank, and dram denominated deposit is over 7 (seven) mln Armenian drams, only up to 16 (sixteen) mln Armenian drams of dram denominated deposit are guaranteed;**
- **where a depositor has dram and foreign currency denominated deposits in the insolvent bank, and the amount of dram denominated deposit is less than 7 (seven) mln Armenian drams, dram denominated bank deposit is subject to guarantee in full, and foreign currency denominated bank deposit is subject to refund in the amount equal to difference between 7 (seven) mln Armenian drams and the reimbursed dram denominated bank deposit.**

All dram denominated deposits kept by a depositor in the same bank shall be deemed single deposit and all foreign currency denominated deposits kept by a depositor in the same bank shall be deemed single deposit.

5. Annual percentage yield

Currency	730 days APY (%)
Armenian drams	8.24%
US dollars	3.70%

6. Information on interest rates

ATTENTION: THE INTERESTS ON FUNDS ON YOUR ACCOUNT ARE CALCULATED BASED ON NOMINAL (SIMPLE) INTEREST RATE. THE ANNUAL PERCENTAGE YIELD SHOWS THE AMOUNT OF YOUR INCOME IN THE EVENT YOU REINVEST DEPOSIT INTERESTS AS A DEPOSIT.

- **The annual percentage yield of deposit (APY) shows the annual yield on deposit after making by customer of mandatory payments associated with the deposit and compounding /capitalization/ earned interests on the initial amount.**

APY = $(1+r/n)^n - 1$, where:

APY – annual percentage yield,

r – simple annual interest rate,

n – frequency of compounding interest amounts within a year.

Annual percentage yield for this type of deposit is calculated as follows: where simple annual interest rate on given type of deposit is specified for a certain period of time, while it may change in the course of the remaining period, then both the interest rate fixed for a given period and the variable interest rate is considered in the calculation of the annual percentage yield, as follows:

$$APY = ((1+r1/n)^n \times (1+r2/n)^n \times (1+r3/n)^n \times (1+r4/n)^n \times (1+r5/n)^n \times (1+r6/n)^n \times (1+r7/n)^n \times (1+r8/n)^n)^{1/8} - 1$$

Example

A formula for calculating interests payable for given type of deposit agreement, when applying capitalization of interests and interest rate change on a quarterly basis

Number of days of deposit investment - 730 days /number of the days of deposit investment is calculated taking into account item 1, Article 907 of the Civil Code of RA, pursuant to which interests on the bank deposit are accrued from the date of the receipt of the Deposit till the day preceding the refund to the Depositor or the withdrawal thereof on other grounds.

- Invested deposit amount – AMD 100.000,
- Capitalization of interests on a quarterly basis
- Interest rate change on a quarterly basis

Annual percentage yield – 8.24%

$$APY = ((1+0.0625/4)^4 \times (1+0.0675/4)^4 \times (1+0.0725/4)^4 \times (1+0.0775/4)^4 \times (1+0.0825/4)^4 \times (1+0.0875/4)^4 \times (1+0.0925/4)^4 \times (1+0.0975/4)^4)^{1/8} - 1$$

The interest amount for the whole period of deposit will make:

$$100000 * 8.24\% / 365 * 729 = 16457.42 \text{ drams (without taxes)}$$
